Dear Sir/Madam

M1 Southbound resurfacing work between junctions 23 and 22.

I am writing to let you know that we are planning to carry out resurfacing work on the M1 between junctions 23 and 22.

When will this work take place?

The work will take place from **Monday, 15th April 2019** for approximately **5 weeks**. However, please note that all our planned roadworks are subject to change due to weather conditions or unforeseen circumstances.

How will it affect traffic?

To deliver this work as quickly as possible, so minimising inconvenience and disruption to the travelling public, we will work overnight from **10pm to 5am, Monday to Friday**.

To maintain a safe environment for our workforce and customers, we will need to implement a 50mph speed restriction, use a mixture of lane and full closures at night. While the southbound carriageway is closed overnight we will put in place fully signed diversion routes, which we have agreed with Local Authorities.

We apologise for any disruption this may cause you. We will do our very best to complete the work as quickly as possible, keeping disturbances and noise to a minimum.
