Your Household Enquiry Form is not a registration form – the information inside it confirms what is currently on the electoral register.

We use the information you supply to amend the register and send individual registration forms to all people in your house who need to register. You can also register online at www.gov.uk/register-to-vote, but you must remember to respond to your Household Enquiry Form as well.

For further information, you can contact us by calling our helpline on 01455 238141 or by email at elections.registration@hinckley-bosworth.gov.uk
